The hemp extract is the product of a batch tested by the independent testing laboratory.
The batch contained a total delta-9-tertahydrocannabinol concentration that did not exceed 0.3 percent pursuant to the testing of a random sample of the batch; and 3. The batch does not contain contaminants unsafe for human consumption.\*

Director

Glen Marquez **Quality Control** 

The reported result is based on a sample weight with the applicable moisture content for that sample. LOQ = Limit of Quantitation. NA = Not Analyzed. ND = Not Detected. PGR = Plant Growth Regulator. Unless otherwise stated all quality control samples performed within specifications established by the Laboratory. This product has been tested by DB Labs, LLC (MMER 61887736101164527568) using valid testing methodologies and a quality system as required by Neadas tate law. Values reported relate only to the product tested. DB Labs makes no claims as to the efficacy, safety or other risks associated with any detected or non-detected levels of any compounds reported herein. Tested analytes and limits were set by the customer. This Certificate shall not be reproduced except in full, without the written approval of DB Labs.
